Requirement for Homing Beacon, AN/CRM-12 () Equipment

1. This office has a requirement for 2 each Homing Beacon, AN/CRM-12 () units which are to be used for test and evaluation in connection with a Development Laboratory project.

2. It is requested that your office take action to determine the availability of these units from other than Signal Depot supplies as it is understood that all items of this type manufactured to date have been issued. A requisition will follow via MSS-COMMO.
